Crown Queen; Fete Now In Full Swing

City's Annual Wistaria Festival Gets Under Way As Sunshine Returns

With real springtime at last definitely "arrived," the Wistaria Fete is expecting to welcome exceptionally large crowds over the weekend.

Sunday, Helen Gahagan, one of New York's most prominent stage stars, will speak at the supper salon gathering on the *migrant* problem. The star of such sprightly pieces as "The Merry Widow" and the "Cat and the Fiddle," Miss Gahagan takes a deep interest in social questions because she believes that democracy can succeed only if the women as well as the men take such an interest.

A crowd of 3000 people thronged the gaily flowered paths of the gardens Sunday to witness the coronation of Hazel Hurst as Sierra Madre's first Wistaria Queen.

Harry Lange, Wistaria Fete Civic Committee chairman and president of the Chamber of Commerce, placed the crown of Wistaria blossoms on Queen Hazel's brow. Janine Sallee and Mary Lou Lovejoy, in a wistaria dance fantasy arranged by Ivan Karloff, performed before the Queen and laid a lavender bouquet at her feet. Crown Bearer Ernie Patterson and the eight little girls formed the Court of honor and played their appropriate parts.

Monrovia's Mayor Richard A. Merchant spoke a word of welcome and Councilman Thomas Schwartz spoke for Sierra Madre, while Legion post commander Lloyd Welch, Mrs. John H. Robertson, president of the local Woman's Club, Mrs. Melba Seifert of the Junior Women, Mrs. Alyce Anderson and Charles Kinneer also participated in the festivities, witnessed by most of Sierra Madre's best known citizens.

Film Favorites On Wistaria's Screen

Two splendid feature pictures are being shown at the new Wistaria theatre today and tomorrow. "Barricade," with Warner Baxter, Alice Payne, and Charles Wininger; also, "Remember," an amusing comedy with Robert Taylor, Greer Garson, and Lew Ayers, together with news, cartoon and shorts. At Saturday's matinee, chapter 2 of "Phantom Creeps," will be shown. Starting Sunday and continuing through Wednesday will be "The Fighting 69th" with James Cagney and Pat O'Brien and "Remember the Night," with Fred MacMurray.

Don't Forget

Second installment of city and county taxes must be paid at the office of the county tax collector by 12 o'clock noon, Saturday, April 20, to avoid penalties.

At the annual meeting of the Sierra Madre Savings Bank stockholders Tuesday evening, Mrs. C. A. Allen, F. H. Hartman, W. S. Hull, R. C. Lewis, Jack Paschall and Preston Schwartz were re-elected to serve for the coming year as a board of directors. Following this election, the board met and re-elected the same officers for 1940-41: R. C. Lewis, president; Arnold Praeger, vice-president; W. H. Ingraham, cashier, and Mrs. G. T. Hall, assistant cashier.

Fine Program To Observe School Week

Sierra Madre grammar school is planning a series of appropriate programs and entertainments in observance of Public School Week, April 22 through April 26. A physical education demonstration, play day, track and field meet will be held at the school playground Wednesday afternoon, April 24, and the annual open house has been set for Friday evening, April 26.

All students at the school will participate in the physical education demonstration, which will take place from 1 to 2 o'clock, Wednesday. The track meet is scheduled for 2 o'clock. Dashes, relay races and broad jumping will be on the program for 6, 7 and 8th grade boys. New high jumping and broad jumping pits on the school grounds will be used for these events, in charge of S. E. McElfresh, boys physical education director. Sixth, 7 and 8th grade girls will compete in relay races, baseball and track, headed by Mrs. Frances MacKenzie, girls physical education teacher. "While parents are invited to visit the school at any time, they are especially urged to come during this week, particularly on Wednesday and Friday," Gerald Smith, superintendent, said. "The children will all be on the playgrounds at the same time Wednesday, and we are planning a series of events which should be of special interest to parents and friends."

"Open house is always one of the big events in the school year, and plans are in progress for an entertaining and instructive evening. There will be a program in the auditorium, which will be announced later, and all rooms, from the kindergarten through the 8th grade, will be open for inspection of work."

Tennis Courts To Be Resurfaced Now

Many Stars Coming For Legion Show

America's greatest story teller Charlie Murray, of the famous "Cohens and Kellys"—will tell some of his tallest tales at the grammar school auditorium next Saturday evening, April 13, at 8 o'clock, when Pat West puts on another of his all-star vodvil shows, with many leading movie and stage personalities. The show is sponsored by American Legion Post 297.

Young and old alike will be thrilled with the lineup of stars, some of whom will appear in Sierra Madre for the first time. Others like Danny Beck, the clever drummer, who made such a hit at the last show, will return in response to a public demand. Al Herman, black face comedian, who appeared in the picture "Swanee River," will have something special for Sierra Madre, and song writers Ned Washington and Leigh Harline also have a splendid act.

Seats are selling rapidly and it is suggested Sierra Madreans who do not want to be disappointed purchase their tickets now at the Sierra newsstand. All seats are reserved.

Leading Authority On Real Estate Is Called By Death

Col. J. B. Chaffey, vice-president of California Bank and a national authority on real estate financing, who passed away Sunday at a Los Angeles hospital, was well known in Sierra Madre, the family home being at 200 West Orange Grove avenue. He was the youngest son of George Chaffey, an outstanding Southern California developer, who was a pioneer irrigation engineer, builder of the first canal from the Colorado river to the valley he named "Imperial," and founder of Ontario, Etiwanda, Mexicali and Calexico.

Besides his widow, Col. Chaffey is survived by three sons.

Three Homes Change Hands In Latest Realty Sales

If there were no other way of knowing when spring arrived in Sierra Madre, the large number of realty sales would be ample proof, since moving and building are synonymous with the spring months. Many homes have changed hands during the last week, with families from Arcadia and Los Angeles moving in to increase the city's population.

A change which involved three families took place recently, when Mrs. Vera Stewart, a former Sierra Madrean, now living in Los Angeles, sold her home at 233 Santa Anita court, to Miss Josephine Curtis of 561 West Mira Monte avenue. Mrs. Stewart lived in Sierra Madre several years ago, and during her residence here worked in the real estate office of W. R. Humphries, who now lives in Arcadia. The six-room home at Santa Anita Court has one of the loveliest wistaria vines in the city, with large lavender blooms covering practically the entire back yard. Mr. and Mrs. William Molitor of Arcadia purchased the former Curtis residence on Mira Monte avenue.

In another real estate sale consummated last week the home at 38 West Grand View avenue was sold to Frank Craviolini of Los Angeles.

Women Need Help At Wistaria Fete

An urgent request to members of the Sierra Madre Woman's Club and other local women to assist at the terrace luncheon and tea service at Wistaria Vine Gardens during the Fete was issued this week by Mrs. John H. Robertson, president of the club. "In order to carry on successfully for the next two weeks," Mrs. Robertson said, "we do need some additional help from local women," adding that she and other board members who have been working unceasingly to make the Fete a success, will sincerely appreciate help at this time. Women having even a few hours to give should call the clubhouse and state at what time their services will be available.

Pritchard Is To Retire On June 4

Congregation Is Stunned When Pastor's Letter of Resignation Is Read

Designating June 4, the anniversary of his ordination, as the day on which he will retire from the ministry, a letter of resignation from Rev. Arthur O. Pritchard, pastor of the Congregational Church, came as a distinct shock and great surprise to members of his church Sunday morning. Mr. Pritchard spent the weekend with his son in Berkeley and his letter, dated April 5, giving his age as his reason for retirement, was read following regular services, by Dr. Joseph Taylor, an old friend of the pastor's, who substituted for him Sunday morning.

Thirty-seven years in the ministry is the record attained by Mr. Pritchard, who came to California from Scarsdale, New York, in 1918. Following a pastorate of approximately six years in Pasadena, during which he was associated with Dr. Daniel F. Fox of the Pasadena Congregational Church, and with the Westminster Presbyterian church as "stated supply" pastor, in the Crown City, and a pastorate with the Pomona Congregational Church, Mr. Pritchard came to Sierra Madre in January, 1926, to fill the vacancy caused by the death of Rev. Fred Staff in October, 1925. Residing in California 23 years, Mr. Pritchard made his home in Sierra Madre 14 1/2 years.

Mrs. Emeline G. Pritchard, the pastor's first wife, died October 12, 1930, and on June 12, 1934, Mr. Pritchard married Mrs. Alice Spencer Jones, a well known Sierra Madrean, who passed away August 1, 1938.

Active in community affairs, Mr. Pritchard was president of the local Kiwanis club in 1936, and served as moderator of the Southern California Congregational Conference, the highest honor that can be bestowed on a minister locally by the group, as well as serving on the board of trustees of Pilgrim Place, a home for retired ministers and missionaries at Claremont.

"I will carry on as usual until June 4, when my resignation becomes effective," Mr. Pritchard said. "Then, immediately afterward, I shall leave for the East to attend the 40th reunion of Brown University, at Providence, R.I., my alma mater. Shortly after, I shall join my sister, Miss Martha C. Pritchard, an instructor at the State College at Albany, New York, and we shall take a motor trip through New England, visiting the haunts of our ancestors. After that, my plans are indefinite. Ultimately, my sister and I shall make our home in Southern California. Whether or not the location will be Sierra Madre, I cannot say."

Mr. Pritchard's letter to his congregation enumerated the improvements made and undertakings accomplished during the past 14 years. "While the abiding work of a Church is invisible, it may not be amiss to speak of some of the marks on the visible side of life. With great devotion, a new edifice has been built at a cost of \$80,000 which ranks the Congregational Church of any denomination in a city the size of Sierra Madre. Three hundred and ninety three members have been received, almost half of whom came on confession of faith. Our school has been reorganized and brought up to modern standards. The general ministrations of the Church have been broadened so that today the Church ranks well to the front of Congregational Churches in Southern California."

Installation of the new Austin pipe organ, a bequest in the will of the late Mrs. Alice Spencer Pritchard, was completed last winter.

Expressing his deep feeling for his congregation, the minister concluded, "I shall never cease to be grateful for your patience and sympathy and for your many, many kindnesses, especially during the periods when death crossed the family threshold. My interest in this Church can never cease and my constant prayer will be for your continued success in the work of our beloved Master."

Very shortly a meeting will be called by the official board, of which Convers L. Twycross is chairman, to act upon Mr. Pritchard's resignation, and appoint a committee on pulpits supply to fill the forthcoming vacancy.

Lucia Trent Heads Poets Congress

Lucia Trent, former Sierra Madrean, now living in Pasadena, was elected president of the Western Poets' Congress at its fifth annual meeting in Los Angeles, Saturday, succeeding her husband, Ralph Cheyney, who is now first honorary president. Six hundred poets and poetry lovers from throughout the West, as far as Texas and Minnesota, participated.

Pastor Revealed As Fairy That Swelled Church Fund

The "fairy" who donated \$450 to the Congregational church at Easter time was revealed as Rev. Arthur O. Pritchard at a party given in his honor Wednesday evening at the home of Mrs. Anna S. Bacon, East Alegria ave. The board of trustees and officers of the church were hosts. Mr. Pritchard's gift was the inspiration that caused the congregational to respond with an offering of \$554.67, making in all, \$1104.67.

Joseph C. Lamb, 5th district commander, has been directed by Department Commander Harold B. Lull to do the honors that evening as installing officer, and Pat West will put on a floor show as part of the entertainment.

Retiring commander E. G. Everett will be chairman of the evening, his last official appearance in that capacity.

Woman Celebrates 90th Birthday; Takes Daily Walks

Open house, with many old friends calling during the day to bring flowers, plants and many delightful gifts to the honoree, celebrated the 90th birthday anniversary of Mrs. E. H. Vannier, at the Vannier home, 153 South Hermosa avenue Friday, April 5. All guests enjoyed hot chocolate and a piece of the huge birthday cake which was decorated with lavender sweet peas and "Birthday Greetings, Age Ninety."

Mrs. Vannier, who came to Sierra Madre many years ago, enjoys excellent health which she maintains with a brisk walk every morning, and is still actively interested in her household and civic affairs.

Voters Retain Four City Officials In Office By Large Majorities

Largest Vote Ever Cast In A Local Municipal Contest Recorded As Schiltz, Froehlich, Pratt And Pegler Are Returned—Schiltz To Continue As Mayor By Unanimous Vote Of The Council

FOUR INCUMBENT city officials who were candidates for reelection were given large majorities at Tuesday's municipal election in which the largest vote ever cast in a city contest was recorded.

Mayor William J. Schiltz had a majority of 854 votes and Councilman John Froehlich's majority was 821 votes. City Clerk Waverly E. Pratt received a majority of 979, the largest majority ever given a candidate for a city office. The veteran city treasurer, Carlton J. Pegler, had a majority of 284 votes.

A total of 1,483 votes was cast at the polling places. The grand total was swelled to 1,523 by 40 absentee ballots which will be counted Monday evening. Largest previous vote ever cast in a city election was when the present city council was elected in 1938, as 1,468 voters went to the polls. In 1932, the total vote was 1,437. In several state and general elections it was much higher. The registration for this contest was 2,767, highest in the city's history.

It was generally believed that when the city council meets Monday evening to canvass the vote, it will immediately proceed to the election of a mayor and that Mayor William J. Schiltz will be the unanimous choice of his colleagues, continuing him in the office which Tuesday's vote indicates he has filled very acceptably to the public. All the four elected officials will serve four year terms. At the next municipal election in 1942, three councilmen will be elected.

The vote cast Tuesday in the four consolidated election districts is shown in the following table:

Precinct	A	B	C	D	Total
FOR CITY COUNCIL					
Froehlich	257	406	242	213	1118
Schiltz	282	357	262	250	1151
Mitchell	68	115	53	61	297
FOR CITY CLERK					
Pratt	297	404	260	248	1209
Graham	40	98	53	39	230
FOR CITY TREASURER					
Pegler	196	312	187	173	868
Ward	140	184	143	117	584
Ballots Cast	341	511	332	299	1483

Forty absentee ballots which will be counted Monday night, added to the above, brings the total vote cast to 1523.

Reading Programs For Children Topic At PTA Meet

Fourth discussion in a series sponsored by the parent education committee of the Sierra Madre PTA held last evening at the grammar school dealt with questions regarding the teaching of reading in elementary schools. Gerald Smith, superintendent, Mrs. Richard Jenkins, Mrs. Ross Marshall, and Mrs. W. H. Scoins, P.T.A. members, and Mrs. Zayda Leonard, Miss Betty Newton and Mrs. Mabel Coupe, faculty members, led the discussion which was under the chairmanship of Mrs. John Claus.

Some of the questions discussed were: "Are you satisfied with your child's progress in reading?" "What is the place of phonics in the reading program?" "Do children read adequately for present day needs?" "What is the modern method of teaching reading?"

To Our Readers

Due to the fact that much of the copy concerning people and events in Sierra Madre, which should have been in the office early in the week, did not arrive until after the news deadline, it is impossible to publish a number of items of much interest to Sierra Madreans in this issue of the NEWS. They will appear in the next issue.

P.T.A. Officers To Be Named Thursday

Election of next year's Sierra Madre PTA officers will follow acceptance of the nominating committee's report, at the monthly meeting in the grammar school auditorium, Thursday, April 18, at 7:30 o'clock. Suggestions may also be handed to Mrs. Foster Bumpus, Mrs. Melba Seifert and Gerald Smith, committee members as soon as possible.

C. Ellsworth Harlan, District Ranger, U.S. Forest Service, will be the principal speaker that evening, and will talk on his work in this area. Repetition of any films already shown at the open-air theatre last summer will be avoided. All interested in this vital topic—the wise care and use of the mountains—whose name this city is proud to bear, are urged to attend.

In keeping with the general theme of conservation—a required subject under the California School Code—6th grade pupils of Mrs. Mary S. Wheeler will demonstrate some of their work in this field.

MEET A NEIGHBOR

By MIRIAM OSNESS

MEET ALBERT GREGORY, one of Sierra Madre's youngest oldtimers. Looks back on eight decades of American life. Finds the present good. Has been superintendent of the Hastings Ranch for the last 56 years. Started operations as a Hawkeye in Iowa eight years before the Civil War. Remembers the sound of drums and fires and martial music as the volunteers drilled in the nearest village. Saw General Sheridan afterwards in his afternoon drive down the Avenue with his four mule team.

Miss Osness

Moved with his family to the Kansas frontier when one year old. Grew up on a prairie farm where "the wind blew a little more than all the time." Helped raise everything the family ate and wore. Earned his first wages shearing sheep. Attended country school. Enrolled later for two terms in a Quaker college. Was married when 21. Came to California for his wife's health. Remembers that there wasn't an inch of paving in Los Angeles. Sierra Madre Boulevard was a crooked winding trail with large oak trees. Likes California. Describes his birthplace in contrast as a "froze mudhole." Considers the strip of land below the hills from Glendale to Glendora the most perfect spot in the world. Hadn't missed a day's work in fifty-six years. Superintended the 1000 acre ranch from horseback. Had three children. Six grandchildren. Took his grandson to entrain the day the Armistice was signed. Recommends great grandchildren as the real thrill. Should know. Dates the pleasant sight in his life back to the teenhood of his children. Watched two of them waltzing together. Accompanied on the piano by their sister. Says he has never lived more than in that moment. Went flying with his nephew three years ago. Enjoyed, in particular, looking down on Mr. Wilson. Had been looking up at it for the last 50 years. Doesn't care for radio old movies. Believes the legitimate stage will come back. Recalls the first he ever saw in Chicago in 1872. Thought that "heaven couldn't be one-half so pretty." Likes the violin and Beethoven's music. Regards the combination as the "sweetest music possible." Has always been a Republican. Registered last year in order to vote against the Townsend plan. Thinks continued relief giving will bring about a revolution. Loves horses. Considers it cruelty to race them. Is sometimes bothered by human beings. Never by the weather. Likes "all of nature's arrangements." Evolves solutions to his problems by sleeping over them. Dislikes crowds, the rush of people, dogs out of their place and women's hats. Thinks, however, that women's clothes are the most suitable they have ever been. Thinks of Will Shakespeare as a friend. Says a man can't learn much from most of the modern writers. Loves children and a wood fire. Calls everyone under 25 a child. Doesn't like slacks. Says you have to go around front. Pull up the hat brim to see if it's a man or a woman. Recalls that the first automobile in Sierra Madre looked like a grasshopper. Has a grand sense of humor. Knows all the newest slang. Has a philosophy as youthful and vital as it is wise and sound. Says he has led an uneventful life. As uneventful as a man's life can be. Living four score and seven years. Watching America grow. Growing with it.

What A Girl Sees Ramblin' 'Round

DOWNTOWN Sierra Madre don't look the same at night since our new Wistaria theatre opened a week ago. Folks come down into the shopping district in the evening without rushing on out of town for entertainment elsewhere, and the main stem and many of the cross streets are lined with cars. A number of the stores are open until 10 o'clock and some until 11 and the show windows and interiors of others are lighted up, whereas visitors used to observe that the town was "closed" and the sidewalks dusted off at 9. The brilliant marquee of the theatre adds a lot of life to the boulevard. With the increasing number of varicolored electric signs at the business houses the village is taking on quite a metropolitan air...and because of the marked change that has taken place in so short a time as a week, we have heard a number of the businessmen discuss the advisability of keeping their places open until 9 o'clock, at least on Saturdays. The townspeople leave no doubt but that they like and intend to patronize their new theatre. The place is cheerful, the seats uncommonly comfortable and well spaced, the acoustics are remarkably good and the attractions offered have been very satisfactory...and if we are to believe what we hear and the attendance is accepted as a criterion the amusement house really does fill a long felt want.

In spite of cool, foggy weather wistaria blossoms all over Sierra Madre...are doing credit to the city's reputation as the "Wistaria Town" and one of the greatest helpers to make Sierra Madre more wistaria-minded is Mrs. Helen Lovejoy...who has given away many, many seven and eight-year old plants. Mrs. Lovejoy tells us that names have been put on others awaiting fall for transplanting. "This should certainly make for more wistaria next year," she added. Around the central part of the city...many fragrant, exquisite blossoms are making their owners very happy and proud. One we admire particularly is that framing the front of the E. B. Doolittle home at 274 Mari-posa avenue. The blossoms are large and a deep, striking color. Unusually beautiful is wistaria twining around a fence at the H. C. Parker home at 192 North Baldwin avenue. Part of the famous old vine now receiving the commendation of thousands

Round The Town

Mr. and Mrs. Robert M. Hicks have rented their home at 550 Oakdale drive to Mr. and Mrs. Dan Marshall of Pasadena, and will move to Long Beach this week to make their home at 235 West Fifth street. Mr. and Mrs. Roy Neely of Glendale were all day guests at the Hicks home Sunday.

Mr. and Mrs. William E. Orme of Pasadena, will arrive in Sierra Madre today to make their home at 251 West Highland avenue.

Mr. and Mrs. Homer E. Lam and family have moved to 65 East Sierra Madre blvd.

Mr. and Mrs. B. L. Hinkley and daughter Joanne were guests of Mr. and Mrs. Nestor Young

at Wistaria Vine Gardens. The Parker wistaria varies in color...from a very pale tint to deep purple...and is especially fragrant.

A small red Ford...that looks more like a buggy than an automobile...with a fringed umbrella-like canopy...and blue trimmings...is displayed at Carl Hansen's garage. The seat is black leather cushioned with buttons...like old fashioned davenport or whatever they were called about 30 years ago. The machine dates from 1901 and is a model 212. It belongs to a Pasadena dealer with whom collecting old models is a hobby...and reminds us of some of the antique machines we saw at Ford's Greenfield village in Dearborn.

The splendid turnout of Sierra Madresans at the grammar school auditorium for the Americanism program...was sure enough proof that adults are really behind youth in their activities. When the youth committee discussed putting one the program...it was just a little skeptical. "What if there should be a poor turnout?" But instead, a packed house of interested parents and friends attended. The best insurance against youth problems is for adults to take the proper interest in youth itself and encourage and cooperate.

Now if the same large turnouts would fill rooms where Boy Scout Courts of Honor are held...both scout leaders and members of the council...to say nothing about the scouts themselves...would believe that the city was actually behind them in their worthwhile work...but such a belief is next to impossible when about four people...maybe two fathers and two mothers...are the only audience. Receiving scout awards and merit badges...with empty chairs as audience...is not a strong incentive for future work... —Viola Backes.

for an outing at the Young Ranch near Acton, Sunday.

Mrs. B. H. Oedergreen of West-patchee, Wash., was a guest at the home of Mr. and Mrs. George E. Mesecar, 162 East Sierra Madre blvd.

George E. Mesecar was a visitor at Coso Hot Springs this week. Robert Kelly who resided in

Banning for some time, has arrived in Sierra Madre to make his home at Bella Vista Terrace.

Mrs. R. P. Stewart, mother of Mrs. Cole G. Winzler, who has been visiting with the Winzlers at 10 Bella Vista Terrace for the last month left last week for her home in Salt Lake City.

Mrs. Ben Solnit and Mrs. J. S. Weber, who have been at the Cedars of Lebanon Hospital in Hollywood for the last several days will return to their homes here this weekend. Mrs. Weber is recovering rapidly from a major operation, while Mrs. Solnit, who underwent minor surgery, is also making favorable progress toward recovery.

Miss Marjorie Adams, 801 Auburn avenue, attended a meeting of the Woman's College Club, held at the Pasadena University Club Monday afternoon.

Mr. and Mrs. Leon S. Griswold of Los Angeles spent the weekend at their cottage in Canyon Park.

P.T.A.'s Country Fair Draws Over 700

Over 700 people from Sierra Madre, Pasadena, Monrovia, Arcadia and Alhambra filled the school cafeteria Friday evening to enjoy all the thrills and amusement of the P.T.A.'s "Old Time Country Fair." Proceeds of the affair are used for a very worthy cause, milk, lunches, etc., for underprivileged children in this district.

Decorative booths built by David Larsen, assisted by Harold Eubanks and Fred Richter, gave the cafeteria a carnival atmosphere. Paul Elmquist of Arcadia filled the role of barker and auctioneer in commendable manner and kept the fun rolling. The spelling bee was won by Mrs. James O'Brien of this city.

Miss Virginia Sydnor as the gypsy fortune teller thrilled the folks by peeping into the future

Local Delegates To Attend Convention Of Camp Fire Girls

Mrs. E. L. Hinkley is a member of the hostess committee for the District 5 Camp Fire Girls' Conference to be held in Pasadena tomorrow. Delegates from Camp Fire Girls councils in the district, which includes California, Arizona, Nevada and Utah, will attend. Miss Ruby B. Lattimore, associate national field secretary, New York, will be present, and Mrs. Louise B. Hoblit, member of the Pasadena Camp Fire Board and of the District 5 Board of Directors, will preside at the meetings. Sierra Madre will send several representatives.

For them. A puppet show was a very enjoyable feature given by Fred Kenke, Jr., assisted by Bert Embree. —Catherine M. Dowling.

It is the little things well done that go to make up a successful and truly good life.
—Theodore Roosevelt.

REMEMBER THE DATE

The wise man won't overlook April 15, more appropriately called Blue Monday—the last day on which the State Tax Collector permits you to settle your tax affairs with the commonwealth of California without penalty.

And by "wise man" we refer to more than that comparatively small handful of persons who will be worrying, wrestling, and perspiring this week to get their income tax blanks to the collector's office before the deadline. We include all adult citizens. April 15 is no day for any of them to say, "Lucky me!"

Rather, let those who pay no direct taxes consider the fact that no person's pocketbook is insulated against taxation. Let them remember that in proportion to income, they may be paying a greater tax than anyone else! Let them ask if it is possible for the State of California proper to have increased its tax collections from \$104 million in 1929-30 to \$312 million in 1938-39, without their having helped foot the bill in the costs of goods, services, and rent. The insidious hidden tax, so well masked that few realize how deeply it drains their purses makes perpetual taxpayers of everyone every day of the year!

April 15—remember the date—is a good occasion for everyone

Story By Another Sierra Madrean Is Coming Out Soon

William Lauren Rhoades, 529 West Highland avenue, has received word that his story, "Two Runaway Orphans," has been accepted by the Angel Guardian Catholic Orphan Society of Chicago. The story tells of the interesting experiences of two children who run away from an orphanage, head toward the West, and develop into useful citizens. Mr. Rhoades has had favorable comment on other stories which he expects to have published shortly.

Sierra Madreans At Church Conference

Attending the annual meeting of the Southern California Federation of Congregational Women held at the First Congregational Church in Pasadena Monday through Wednesday was a group of Sierra Madreans that included Mrs. E. E. Bacon, Mrs. H. M. Wilhelm, Mrs. Eva D. Moore, Miss M. Nelson, Miss Fuller and Mrs. Ben Mobley.

"WHAT A LIFE" COMING TO THE PLAYHOUSE

With chalk dust and Roman history dates in his hair comes Henry Aldrich and "What a Life" to Pasadena Community Playhouse, April 17-27, bringing to Southern California playgoers the Clifford Goldsmith comedy of America's favorite teacher's pest. The history teacher, and her dates (all Roman), bright students and dumb ones, and a hundred other interscholastic items spread out over the high school panorama to reach the memories of anyone who ever stumbled or streaked through the lower bracket classrooms.

STATE PICNICS

Texasans in Southern California will celebrate their "San Jacinto Day," Sunday, April 21st, at their annual Texas picnic reunion in Sycamore Grove. Registers will be opened for each of the 254 counties.

The Illinois annual spring picnic reunion will be held in Sycamore Grove, all day, Saturday, April 20th.

MOTHER OF MRS. DYCHE DIES IN COLORADO

Mrs. "Pete" Dyche of Ramona avenue, left Sunday for Pueblo, Colo., where she was called by the death of her mother.

to remind himself of the fact. If it makes Blue Monday even bluer, all the better! Then we may do something about it!

Organize Classes In Home Hygiene And Nursing

Sierra Madre women who are interested in home hygiene and care of the sick are urged to contact the local Red Cross office as soon as possible. Registration is now open, and when 18, the required number, have indicated a desire to attend these classes, a meeting will be held to decide what days will be most satisfactory for classes. Two meetings will be held a week, each for a two hour period, and the classes run over a period of about seven weeks. The home hygiene class is under the direction of Mrs. E. R. Thompson, chairman, and Mrs. Augusta Coats is the instructor.

In declaring he'll start a third party of his own unless the Democrats select a presidential candidate and formulate a platform agreeable to him, John L. Lewis CIO chieftain is following an old tradition—but an eminently successful one. Though individualists to the core, Americans have hewed close to the two party system throughout their long political history. Whenever third party movements have made their bid for support—as with the Populists, Progressives and Socialists—the nearly universal American reaction has been "There's a crowd!" Curiously enough, among those often considered as being docile, easily led, an individualistic, such as the German people, parties have sprouted up and multiplied like a ten days' wonder. In Germany's post-war republic, more than fifty parties clamored for public support! Needless to say, these innumerable parties proved calamitous to the nation's welfare in time of 1929-33 crisis, and left it divided, incapable of uniting action in the face of the one large, well-organized party that Germany could boast of—the National Socialist party. At any rate, John L. Lewis' third party threat will cause no great alarm. In America's party system, three is definitely an unlucky number!

Clocks in early America were made by carpenters. (Which accounts for their wooden works.) In Europe the first clocks were made by locksmiths, blacksmiths and astronomers.

Women in politics, conspicuous by their absence in recent years, are re-entering the battle of ballots, and what's more, bringing home the bacon! The powder-puff brigade delivered a mighty wallop last week when it decisively crushed Tom Pendergast's political machine in Kansas City—a machine that for 16 years had held a firm grip on that city of 400,000 and was once accounted one of the most invincible in the nation. Political observers give the women the major share of credit for the complete rout of the Pendergast forces. With a Fusion ticket in the field, backed by Republicans and Democrats, opposing a slate of 11 Pendergast followers, the women not only got out the vote in all sections of the city, but won support for Fusion party candidates in sections of the city which had never, within memory, voted other than the straight Democratic ticket. Women obviously have as great a stake in good government, clean politics, and intelligent legislation as their husbands, and in some instances, even a larger stake.

In 1916 there were 71,033 patent applications in the U.S.A. The war caused the number to drop to 59,615 in 1918. When peace came in 1919, it rose to 80,450.

Nature's violently tempestuous moods of recent days have been more than a match for man, who is no amateur himself at raising calm and wrecking havoc. Within a fortnight, Mother Nature has raised a gigantic hurricane on the sun which, shooting off great streams of electrons, paralyzed radio, telephone, and cable communication some 93 million miles away on the solid speck of mud whirling in space which we call Earth. Not content with thus showing man's helplessness in the face of her superior forces, Nature has thrown in a few floods, ranging from Northern California to the Susquehanna River Valley. As if these spectacular caprices were not enough, we now hear from Admiral Byrd that the South Magnetic Pole has succumbed to wanderlust and has been moving in a westerly direction since he discovered it in 1929. Man proposes, but there's no doubt as to who disposes!

Freedom of the press is a birthright of the American Constitution, but for all that, it is never secure against attack. Having rebuked a judge for dismissing an extortion charge against

FIND JOSHUA TREES COMING INTO BLOOM

Mrs. Olive Fowler was the weekend houseguest of Miss Cecil Price at "Farview," the Price desert home at Twenty Nine Palms. During the weekend Miss Price and Mrs. Fowler visited the Joshua National Forest and found the trees just coming into bloom and the wild flowers forming a riotous carpet through the park.

Miss Mary Pfahler and Francis Boyer, music teachers at the grammar school, attended the National Music Teachers conference held in Los Angeles last week.

FRIENDLY INDIANS TO SEE CAMP FILMS

Sierra Madre Friendly Indians will be entertained this afternoon at a school meeting when E. J. Simonds of the Santa Anita District YMCA will show pictures of summer camp at Jenks Lake and talk on camp life. Saturday afternoon, Friendly Indians from San Gabriel valley enjoyed a special pow wow at Arcadia park. About 12 boys from Sierra Madre attended, accompanied by their leader, S. E. McElfresh, and spent the day playing baseball, flying kites, and with races of all kinds.

To My Friends and All the Citizens of Sierra Madre:

I take this means of expressing my very great appreciation for the vote of confidence given me at last Tuesday's election in which I was again elected City Treasurer, and to thank each and every one who supported me.

Carlton J. Pegler

To the Citizens of Sierra Madre:

It is difficult to fully express the deep sense of gratitude I feel to the loyal friends who so generously devoted their time and energy in my behalf during the recent campaign, or my keen appreciation for the vote of confidence given me by my fellow townsmen at the election on Tuesday, April 9.

Because it will be quite impossible to meet you all personally, I am taking this means of conveying my very sincere thanks to all the citizens who believe in and supported me for reelection as City Clerk of Sierra Madre.

Gratefully yours,

Waverly E. Pratt

Fellow Citizens of Sierra Madre:

We wish you all to know of our heartfelt appreciation for the splendid support given us at Tuesday's city election at which you returned us as members of the City Council.

We accept the result as a vote of confidence on part of our neighbors and take this means of extending to each and all of you our most sincere thanks.

WHEN ABRAHAM WAS VERY OLD, THE SON WHOM GOD HAD PROMISED HIM WAS BORN. ABRAHAM NAMED HIM ISAAC, WHICH MEANT LAUGHTER. ONE DAY GOD SAID TO ABRAHAM, "TAKE YOUR SON WHOM YOU LOVE AND OFFER HIM FOR A BURNT OFFERING UPON A MOUNTAIN WHICH I WILL SHOW YOU."

Genesis 22:1-13.

ABRAHAM AROSE EARLY IN THE MORNING, SADDLED HIS DONKEY, TOOK TWO YOUNG MEN SERVANTS AND ISAAC AND STARTED ON THE JOURNEY. WHEN THEY CAME TO THE FOOT OF THE MOUNTAIN, ABRAHAM SAID TO THE SERVANTS, "WAIT HERE WITH THE DONKEY WHILE I AND THE LAD GO YONDER AND WORSHIP."

ABRAHAM ROUNDED THE HORN FOR THE OFFERING UPON ISAAC: TOOK FIRE AND A KNIFE AND HE AND ISAAC BEGAN TO CLIMB THE MOUNTAIN. ISAAC SAID, "MY FATHER, HERE IS THE FIRE AND THE WOOD, BUT WHERE IS THE LAMB FOR THE BURNT OFFERING?" ABRAHAM REPLIED, "MY SON, GOD WILL PROVIDE A LAMB."

Abraham And Isaac.

ABRAHAM BUILT THE ALTAR; LAID ISAAC ON IT; THEN RAISED HIS HAND TO SLAY HIM. THE ANGEL OF THE LORD CRIED, "DO NOT HARM THE LAD." ABRAHAM LOOKED AND SAW A RAM CAUGHT IN A THicket! SO ABRAHAM OFFERED THE RAM AS A BURNT OFFERING INSTEAD OF ISAAC, HIS SON.

UNIQUE GIFT FOR O.E.S. DISTRICT OFFICER

"April Showers" which traditionally brings flowers in May, brought Mrs. Mary Wamrock, deputy Grand Matron of the O.E.S. for the eight Chapters in this district, quite another type of gift when she made her first official visit to the Arcadia Chapter Tuesday evening. She was presented with a gay pink parasol, which when raised released a shower of small pink blooms to which were attached dollar bills. Mrs. Wamrock was also presented with a tiny pair of white galoshes filled with currency. As a special floral gift she received a huge bouquet of coral and white roses, her official colors.

Mr. and Mrs. Thomas Hall and Miss Isabell Forbes of Los Angeles were entertained over the weekend by Mrs. J. Borradaile at her home, 391 East Grand View avenue.

OUTING PARTY FINDS DESERT IN BLOOM

Among interesting spring trips enjoyed by Sierra Madreans was the weekend outing of Mr. and Mrs. Boyd E. Keith and family who drove through the Mojave desert to Olancha, thence through the Panamint mountains into Death Valley where they enjoyed stops at all interesting points. Returning via Barstow where they remained overnight, on Sunday they visited Calico, ghost mining town where Floretta and Boyd enjoyed a trip through an old silver mine.

Through the entire trip the party found the wild flowers in full bloom and many varieties of cactus in bloom.

Mr. and Mrs. Mark Dalley drove down from Coso Hot Springs to spend the weekend here with their daughter and son, Betty Ellen and Jack at their home, 162 East Alegria avenue.

We Certify our GREEN FOODS are FIRST MORNING FRESH

HERE IS HOW OUR PLAN WORKS:
To every Safeway in town, green foods are delivered fresh every morning.
Every bin of our produce that is FIRST-MORNING FRESH (delivered fresh this morning) is now marked with a sign like show you here... Certified FIRST-MORNING FRESH.
Only first-day fresh green goods get this sign. Any produce carried over a day is now separately displayed, plainly marked "Second-Day Produce" and priced lower.
This plan brings you honest vegetables... TRULY FRESH... NOT WORKED OVER OR ELABORATELY "DOLLED UP" TO SELL. In fact we Safeway men handle fresh, perishable produce just as little as possible. You know what you buy!
IF YOU DON'T FIND OUR NEW-PICKED VEGETABLES MORE TENDER AND TEMPTING... ALL YOUR MONEY BACK!

SPEND YOUR ORANGE AND BLUE FOOD-ORDER STAMPS AT YOUR NEIGHBORHOOD SAFEWAY!
Take advantage of Safeway's low prices on ALL foods. More for your money... whether you use cash or stamps!

I THOUGHT IT
WOULD COST
MORE THAN THAT

• Because they know that this
is a Prescription Pharmacy,
maintaining the highest ethical
standards, many persons are
agreeably surprised to find that
it costs no more—sometimes
actually less—to have a prescrip-
tion filled here. The answer is
simple. Our large volume re-
sults in lower overhead. And we
are content with a modest profit.
May we have the privilege of
filling your next prescription?

To the Citizens of Sierra Madre:

It is difficult to fully express the
deep sense of gratitude I feel to the
loyal friends who so generously de-
voted their time and energy in my
behalf during the recent campaign,
or my keen appreciation for the vote
of confidence given me by my fellow
townsmen at the election on Tues-
day, April 9.

Because it will be quite impossible to
meet you all personally, I am taking
this means of conveying my very
sincere thanks to all the citizens who
believe in and supported me for re-
election as City Clerk of Sierra
Madre.

Gratefully yours,

Waverly E. Pratt

Fellow Citizens of Sierra Madre:

We wish you all to know of
our heartfelt appreciation
for the splendid support
given us at Tuesday's city
election at which you re-
turned us as members of
the City Council.

We accept the result as a
vote of confidence on part
of our neighbors and take
this means of extending to
each and all of you our
most sincere thanks.
